

ST MARY'S HIGH SCHOOL, NEWRY

Positive Behaviour Policy

Revised September 2020

Rationale:

In St Mary's we are committed to promoting positive behaviour in a supportive and caring environment. As a Catholic and Rights Respecting School, we work together to engender in our pupils positive attitudes and behaviours based on respect for self and others. The promotion of positive behaviour enables pupils to become self-disciplined learners who respect diversity, authority and are able to make informed decisions allowing them to fulfil their potential and develop positive relationships with other people.

The management of behaviour issues is linked closely to the pastoral care provision in the school. The Form Teachers, Year Tutors, Behaviour Management Coordinator and Senior Leadership Team play key roles in this area. In the interest of the child they will liaise with other agencies including Education and Welfare Office, Educational Psychologists, Behaviour Support Team, Social Services, CAMHS, Just Ask, CAPS, YPP and School Counsellors, supporting pupils throughout the school.

Aims:

Through the establishment of a caring framework as a Rights Respecting School we aim to:

- Encourage all pupils to exercise self-discipline, self-respect, respect for others, the environment and local community and develop a sense of personal responsibility in line with Article 29 of UNCRC *'Education must encourage the child's respect for human rights as well as respect for others'*.
- Provide a systematic, consistent and appropriate response to behaviour management in school;
- Ensure pupils recognise the need to have rules in school and to fulfil their responsibility as outlined in the School Charter;
- Foster mutual respect, understanding, sensitivity, open mindedness and generosity towards others so as to enrich both personal and community life;
- Support the health and safety of the pupils;
- Fosters a learning culture that celebrates and reward positive behaviour, achievement and success;
- Create a stimulating learning environments which encourages and rewards personal endeavour and achievement;
- Ensure pupils behave appropriately at all times in school and when representing the school on trips and during other activities;
- Encourage pupils to respect authority, treating all persons in authority with courtesy and respect;
- Support the personal development of all pupils by recognising and rewarding high standards of behaviour and effort.

Roles and Responsibilities:

Class Teacher:

Class teachers have responsibility for creating a caring, supportive and respectful classroom environment based on the School Classroom Charter (**Appendix 4**). There are clear classroom behaviour management procedures that provide a systematic and structural response to behavioural issues in St Mary's. These procedures include the use of the SIMS Behaviour Module to record achievements and behaviours.

Head of Department:

Heads of Department have responsibility for behavioural issues within their department. There are clear department behaviour management procedures which are followed by all department leaders. These procedures are based on the School Classroom Charter and in keeping with the vision and values of the school. Department meetings are used to develop appropriate classroom strategies to positively engage and motivate learners.

Form Teachers have responsibility for establishing high standards and expectations of their Form Class. There are clear behaviour management procedures and these are followed by all members of the Pastoral Care Team and include the use of the Behaviour Module to record achievements and behaviours.

Year Tutor:

Year Tutors have overall responsibility for establishing high standards and expectations of their Year Group, both within and outside of lessons. There are clear behaviour management procedures and these are followed by all members of the Year Tutor Team and include the use of the Behaviour Module to record achievements and behaviours.

Behaviour Management Coordinator:

The Behaviour Management Coordinator has responsibility for behavioural issues across the school. The Coordinator works very closely with the Vice Principal, Senior Leadership Team, Pastoral Care Team and other external agencies including Behaviour Support Team, Social Services, CAMHS, CAPS, YPP and Just Ask.

Supportive and Caring Ethos in School:

The Curriculum and Pastoral Care provisions in St Mary's High School aim to help and support all pupils, thus preparing them to cope with the demands of school and adult life, enabling them to achieve their full potential. These provisions include measures to help meet the physical, emotional and spiritual needs and aspirations of all learners within an inclusive learning environment. We acknowledge the importance of our pastoral role in the welfare of all young people and through our mission statement and ethos every member of our school community is treated with respect. Through our Pastoral Programme and Counselling Service we offer a supportive environment to pupils. The Personal Development Programme allows pupils to explore key issues within their

personal development including Self Concepts, Self Esteem, Health and Well-being, Relationships and Personal Safety.

The following structures and procedures operate in St Mary's:

- Parents can arrange an appointment with their daughter's Form Teacher or Year Tutor should they be concerned about her behaviour;

Strategies and Procedures (Appendix 5**):**

All incidents of poor behaviour are taken seriously and the responses can include some or all of the following:

- Behavioural incidents are recorded through the Behaviour Management Module in SIMS. Members of staff record behaviours on the system (**Appendix 6**).
- Pupils are awarded Behaviour Points if they fail to follow school rules or embrace self-discipline or apply themselves to their work;
- A pupil may be asked to move to a different classroom until the end of a lesson if her behaviour is disrupting the learning and teaching in the classroom. Work will be provided by the Class Teacher;
- A pupil may be extracted from a subject for an agreed period of time if her behaviour is disrupting the learning and teaching in the classroom. The period of time will be agreed with the Class Teacher, Form Teacher, parents and pupil. Work will be provided by the Class Teacher;
- Pupils are put on after school detention if they receive **8 behaviour points**. A letter will be sent to parents informing them of the detention;
- If a pupil fails to attend a detention the Year Tutor will follow this up with a phone call home and another detention will be issued. Failure to complete this detention will result in three 15 minute lunch time detentions.
- When a pupil receives two detentions (**16 behaviour points**) the pupil will attend a formal meeting with their Year Tutor and the pupil will be placed on a Student Improvement Plan.

Parents/Guardians will receive a phone call and a letter explaining the Plan. This Plan must be signed by a parent/guardian each evening and is monitored closely by the Year Tutor. A referral will also be made to the Behaviour Management Coordinator (Mrs Hughes). The pupil will be added to the Behaviour Register and an Individual Behaviour Plan (IBP) drawn up

- A review meeting will take place after three weeks and as a result of this meeting:
 - ❖ If satisfactory progress is made - Pupil is taken off Student Improvement Plan and the Behaviour Register and a letter is sent home or a phone call to inform Parent/Guardians
 - ❖ If unsatisfactory progress is made – Remain on Register and a further one week on Student Improvement Plan
 - ❖ No progress after four weeks – Parent/Guardian meeting with Behaviour Management Coordinator and Vice Principal
 - ❖ Little progress after one further week – Referral to External Agencies
(Stage 3 SEN Register – Behaviour)

Intervention Strategies for Persistent Poor Behaviour:

- The Behaviour Management Coordinator will arrange a formal meeting with the pupils' parents/carers and intervention strategies employed;
- An Individual Behaviour Plan will be drawn up in conjunction with the Behaviour Management Coordinator, Year Tutor, Form Teacher and parents;
- As a result of persistent poor behaviour a pupil may be put into a different Form Class for an agreed period of time;
- As a result of further persistent poor behaviour a pupil may be put into a different Year Group for an agreed period of time. The pupil will complete the same work as the class she is in;
- If it is deemed necessary for a pupil to be put on Stage Three of the Code of Practice and all intervention strategies have been employed support will be sought from the Behaviour Support Team;
- Pupils identified with serious behavioural needs:
 - ❖ Will be given individual work on self-esteem, self-control and responsibility;
 - ❖ Will work with the Behaviour Management Coordinator in setting personal targets and goals;
 - ❖ Pupils may be supported by outside agencies (Social Services, EWO, Children Order Team, LAC Team, CAMHS, EA, Behaviour Support Team, CAPS, YPP, Educational Psychologist) under the direction of the Behaviour Management Coordinator and Behaviour Support Team.

Suspension:

In St Mary's, we endeavour to avoid, where possible, the sanction of suspension and will only use it in cases where a serious breach of school rules has occurred. However, if a pupil's behaviour is a threat to the safety, health or emotional wellbeing of others, and previous methods of prevention and intervention have not been successful, the pupil may be suspended.

Behaviours which warrant suspension from school include:

- Physical assault of another pupil or member of staff;
- Verbal abuse/offensive language against a member of staff or another pupil;
- Serious case of bullying;
- Threats and intimidation towards a member of staff or another pupil;
- Carrying offensive weapons;

- Possession of, supplying or using illegal drugs;
- Smoking cigarettes, e-cigarettes or drinking alcohol on school premises.

In each of these cases, CCMS Suspension Guidelines will be followed. Formal suspension is for three days according to regulations. In an extreme case of poor behaviour, the Principal can issue a further extension in consultation with Board of Governors and relevant authorities. An official suspension letter will be forwarded to all relevant agencies.

Expulsion:

The expulsion of a pupil is the most serious disciplinary action that can be applied and in normal circumstances should be considered only after all reasonable courses of action have been explored. St Mary's High School will follow the procedures set out under the provisions of the Education Reform (Northern Ireland) Order 1989 and the Education and Libraries (NI) Order 1993 and the Regulations contained in SR No 99 of 1995 or any other statutory modification thereof and contained in the CCMS Guidelines for Expulsion.

Support from External Agencies:

The Behaviour Management Coordinator will work closely with the SENCO and will assist in the identification of behaviours which warrant remedial support or diagnosis. Support may be sought from external agencies including Social Services, EWO, Children Order Team, EA, Behaviour Support Team, Educational Psychologist, CAMHS, CAPS and YPP.

Counselling:

A Counselling Service is available one day per week in school. If any member of staff wishes a pupil to avail of this service they should make a referral to the Vice Principal (Contact Person). A pupil can make a self-referral through the Vice Principal. A parent/guardian can also refer their daughter through the Vice Principal.
