## Key Stage 3 Learning and Assessment Plan

### My Learning Plan

The Learning Plan informs me about the new topic I am studying. It gives information on Key words I am learning, what skills I am developing and how I will be assessed.

### My Personalised Targets

In each of my subjects I have a Personalised Target %. This target is based on my score in my English and Maths Assessment in early September. Each assessment will be compared to this target and recorded as:

Above	On	Below
+	0	-

#### Standardised Assessments (week beginning)

- 16<sup>th</sup> October 2023
- 11<sup>th</sup> December 2023 (Christmas test)
- 11<sup>th</sup> March 2024
- 10<sup>th</sup> June 2024 (Summer Test)

### Assessments

In each of my subjects I will have two types of assessments:

#### Formative Assessments

- Projects
- Research
- Presentations
- Peer assessment
- Self assessments

#### Summative Assessments

I will complete four Standardised Subject Assessments. I record my marks of each in my diary.

### Recording & Monitoring My Progress

Recording my results:

- \* In my Homework Diary
- \* On my reflection plan
- \* On computer tracking system by class teacher

My result in each of the 4 Standardised Assessments is compared against my Personalised Target % and monitored by my Class Teacher, Form Teacher, Year Head and Senior Leadership. Any student who underachieves in assessments may be supported through progress report.

**Learning Intention:** - This is what I am going to know, understand and be able to do at the end of the lesson.

**Success Criteria:** —What I need to do to succeed in my assessments/work

**Self Assessment:** —This is where I mark my own work against the agreed success criteria

**Peer Assessment:** This is where I mark another students work against the agreed success criteria
